WHAT ARE CHILDREN'S MINISTERS SAYING ABOUT THE INSTITUTE OF CHILDREN'S MINISTRY?

"This was my first year. I came with no expectations other than knowing God would inspire and bless. He did! This has been truly wonderful."

"This year's Institute challenged our ministry team to be more excellent in each area of ministry, to dream bigger, and seek God for growth and the resources He will provide!"

"I didn't realize what a great conference ICM was until I came for the first time! Now I will never miss it!"

"The Institute of Children's Ministry is a wonderful experience. Each year I receive something new and refreshing."
